Context of use

The icons are to be shown on an **interactive map**, on a giant touch screen, in a **public exhibition**.

The exhibition shows the **future projects** in the region between 2013 and **2020**.

The idea is to mimic the Sim City 3D isometric style.

Each icon represents a **category** of several projects.

About the region « Loir et Cher »

The region has a few *graphical details* to take into consideration :

- House roofs are black (slate)
- The land is flat
- It's a region of agriculture (mainly cereals)
- Forests are dense and very green
- It's the region with many king castles
